New Board Members for 1999

Before mentioning anything about the new officers for Creation Science Fellowship, I want to thank everyone for their support. I want to especially thank Mark DeSpain as our President for the last four years and Dr. John Doughty who has been our Treasurer since CSF was founded almost ten years ago. Although these men are not on the board this year, they are brothers in Christ we all love and respect. I continue to view them as mentors in all activities we share and value their future friendship. May God Bless you both and provide the time for all of the priorities in your lives. Mark will be spending more time with video production and John, more time with his wife. Please welcome Mark Burton and Jon Hartenberger as our new board members. Jerry Coryell

Special Thanks to CSF of NM

"Thank you for loaning me the magazines and for finding me the Mt St Helens video. Because of a lack of information, I had changed the focus of my paper, but the material allowed me to bring my paper back to its original focus. Merry Christmas and God's richest blessings, Jennifer Coleman".
